

# Welcome to **DimensionU** Games at Home!

**As a Hillsborough County School District student, your child has access at school to fun and interactive free video games that focus on math and literacy. Now, he or she can play at home or on the go!**

## DimensionU Web Games

1. Using Google Chrome, Firefox, or Microsoft Edge, visit **www.dimensionu.com**
2. Click Sign In (upper right corner). For Username, enter your child's Hillsborough County student ID number.  
**The password is your child's month and year of birth. Example: August 2001 is 082001.**
3. Choose between TowerStorm, Meltdown or Velocity.
4. Select Curriculum and choose a Subject (Math or Literacy). Select a Level (Level D is grade 3 appropriate and so on), Topic, and Skill. Select Back.
5. Join an existing room by selecting Play Now or create your own game room by selecting Search.

## DimensionU Apps for iOS and Android

1. TowerStorm, Meltdown, and Velocity are available for FREE download. Visit **www.dimensionu.com** or the app store for your device to install.
2. After the games have downloaded, sign in. For Username, enter your child's Hillsborough County student ID number.  
**The password is your child's month and year of birth. Example: August 2001 is 082001.**
3. Follow steps 4 through 5 above.
